

## **APPLICATION FOR ENROLMENT**

We welcome your application to have your child/children attend the school and shall be grateful if you will read carefully the following Policy and Commitment statement. Any matters arising we will happily discuss with you.

### **PURPOSE**

The main purposes of the school in educating children are summarised in the following terms:-

1. To know God closely through Jesus Christ His Son.
2. To grow in Christian Character.
3. Academic Learning.

You have expressed interest in this type of education for your child/children and we ask you to consider the following points which all enable us in the school to provide the children with an excellent standard of education.

### **POINTS TO CONSIDER**

1. Christian Education is a complimenting process to parenting - not a substitute. Are you parenting your child according to the principles of the Bible? Are you prepared to pray with your child, train them in God's ways and lead by example? These steps will be a springboard and secure environment from which your child can obtain greatest benefit in school.
2. Are you able to meet the fees? We are not yet aided by any government funding and therefore prompt payment of the fees ensures smooth running of the school. By enrolling your child in the school you are contracted to give a **term's notice**, in writing before removing your child, or you will be responsible to pay the remaining part of any term during which your child is removed and part of the following term in proportion to the time which has elapsed of the term in which the education ceased.
3. Parental Involvement. In taking the step to send your child to the school you are obviously committed to their education. As part of your commitment you will be required to check over your child's homework daily, attend parents meetings when called, ensure your child is punctual, ensure your child is in correct uniform, advise of all absences in writing, report all illness on the first morning of absence and respond promptly to all written communication from the school.
4. Are you prepared to support the school, staff and students in prayer?
5. Many opportunities exist for you to be involved in the school. Are you prepared in as much as you are able to support with practical help? Will you promote the school and its purposes openly?
6. Good parental/staff relationships are vital in the successful education of the child. A child's view of an event during the day is not always the full story and will you agree not

to support criticism of the school or staff and if necessary always contact the school to clear the matter up?

7. The vision for the school was born from a parent's desire for children to be educated under Godly influence. This vision holds today, will you therefore trust the school with your child, supporting our actions, discipline and decisions realising we stand with you in really wanting God's best for him/her?

### **COMMITMENT**

Now if you are happy to do so please sign the attached declaration and return this form to the school with the enclosed Personal Details Form.

### **ENROLMENT APPLICATION**

As parents/guardians of (child's name) ..... we recognise our responsibility towards our child(ren)'s education and have chosen to send them/him/her to The River of Life Christian School.

Having fully considered this and recognising that the prime responsibility for educating children lies with parents, we see that in sending our children to The River of Life Christian School we are allowing the staff to share that privilege. We commit ourselves to full support of the school and staff in all the ways previously mentioned on the enrolment application.
